Real Estate Companies Are Still Growing - Dynamic “Team Jenkins”
Joins Local Capital Valley Realty

EL DORADO HILLS, February 25th, 2008 – Top producing, veteran real estate broker, Gary Jenkins, and his Realtor associate Keren Dill have joined the ranks of Capital Valley Realty Group, Inc.'s (CVRG) growing team of experienced agents. Many agents have hesitated to make career moves in this soft real estate market. However, local Capital Valley Realty continues to win over new agents through its diversified portfolio of residential, foreclosure and commercial properties.

“We are thrilled to have both Gary and Keren on staff. Their combination of real estate experience and substantial business backgrounds bolster our company’s analytical approach to real estate buying and selling”, says CVRG broker Doug Hus. Jenkins and Dill achieved MBA’s in addition to their real estate licensing.

“Working with Capital Valley Realty gives Keren and I the opportunity to get involved in a greater variety of properties and enhance our client service capabilities”, says Jenkins. “We also feel very good about the company’s strong reputation in the local market and their connection to the community.” Together, Jenkins and Dill add another 30 years of experience to Capital Valley Realty’s team.
